

**Thank  
You!**

## Dear Lowell International Foods,

On January 30th, 2016 our Valentine's Day Ball Fundraiser took place and thanks to your kind hearts and generous support it was a roaring success.

I am writing this letter on behalf of the Henryk Sienkiewicz Polish School Parent Committee Board, who along with the students, parents, and faculty would like to extend a warm thank you to all sponsors and donors for their help. Words cannot describe how grateful we are. As you all know, it is very important to us that Polish youth be educated about their

culture and history, learn to communicate using our language, and be proud of their ancestry. For over 45 years now those have been the priorities of the Henryk Sienkiewicz Polish School in Summit.

Thankfully, we are lucky to have a very dedicated faculty who are collectively working to achieve these goals. And at the head of our school is Principal Ilona Sobiech, whose dedication and commitment to our school and children has been shown through various new events occurring in and outside the school. We are very proud of our faculty.

However, in order for our goals to become a reality we need not only dedicated teachers but also financial support, which was graciously gifted to us by you, our dear sponsors. As rich as the Polish language is, there are no words that can appropriately express the magnitude of our gratitude.

So, please accept a simply "THANK YOU" from the bottom of our hearts.

All sponsors and donors have been recognized for their generosity on our school's website [www.pshsienkiewicza.com](http://www.pshsienkiewicza.com), as well as on school's Facebook

<https://www.facebook.com/HenrykSienkiewiczpolishschool/>.

Additionally, a complete list of sponsors and donors was displayed during the ball during the multimedia presentation.

We hope that the goals of our school will resonate in your hearts and minds and that next year we will once again be able to count on your support. We hope you will honor us with your presence and support at the 2017 Valentine's Day Ball Fundraiser.
